\$22

This crisp, elegant white has hints of tropical and floral tones. The full body and long finish are enhanced by a light effervescence and acidity that give it brightness and aging potential. Our Viognier is cold fermented in stainless steel and fined with bentonite clay, then double filtered before bottling.

2014 ROSÉ

\$20

This vivacious and sophisticated Virginia Rosé offers hints of our Jeffersonian terroir in its honeysuckle and strawberry aromas. A subtle sweetness makes this refreshing Rosé the perfect addition to spring lunches and summer dinners.

2012 CABERNET FRANC

Virginia's success story; vibrant and bright fruit flavors are enhanced by barrel aging. The Cabernet Franc combines sophisticated flavors and aromas with a special softness and appeal.

2013 VINO ROSSO

The Rosso is a classic Bordeaux style red with layers of ripe berries, plum, and cherry smoothly blended by aging in French Oak. Its incredible structure combines intense flavors of Cabernet Sauvignon and Petit Verdot, with Merlot and Cabernet Franc, resulting in a lighter bodied refined blend.

2013 ARCHITETTURA RESERVA
